Dear friends: One among  
the missing is here & very  
well. Guess Mrs. B. is rattling  
around somewhere. You were  
the missing persons when  
Perry called to see you a week  
ago last Monday eve. We brought  
Mamma home with us on  
Tues. the 5th. She will be home  
in time to vote. Jim  
Farndale phoned from San  
Fran. last night & will be out  
to see us this week end.  
When <sup>ever</sup> you go by the house, look  
to see if it is there. Mrs. B. will  
be in & out. Thank for writing.  
Weather here is warm but  
pleasant & clear Love  
Hazel Martin
